CITY OF GARIBALDI
RESOLUTION 2024-09

A RESOLUTION EXEMPTING A BID FOR EMERGENCY SEWER REPAIR CONTRACT FROM COMPETITVE BIDDING REQUIREMENTS OF ORS 279 FOR A SOLE SOURCE CONTRACT

WHEREAS, The City of Garibaldi and the Oregon Department of Transportation (ODOT) are working together to deliver a project for new sidewalks, accessible ramps, parking, bike facilities, transit upgrades, new pavement and striping starting in June 2024.

WHEREAS, The City has a partially collapsed sewer main in Hwy 101 between 6th and 7th Streets, which is in the ODOT project area. It is in the best interest of the City of Garibaldi to repair this partial sewer collapsed pipe prior to the ODOT project start.

WHEREAS, if this sewer is repaired after the ODOT project, then the City will cut open the new pavement, which reduces the life of the new pavement, and will have a new patch in the new pavement.

WHEREAS, The City does not have the time to conduct a competitive bid process to get the partially collapsed sewer replaced prior to the start of the ODOT work.

WHEREAS, Advanced Excavation is a local contracting company with experience of sewer repair and replacement projects and can meet the City's schedule to complete the work prior to the start of the ODOT project.

WHEREAS, ORS 279B.080 allows authorization of a Sole Source Contract for services in an emergency.

THE COMMON COUNCIL OF THE CITY OF GARIBALDI RESOLVES AS FOLLOWS, based upon the information provided herein, pursuant to public contracting rules ORS 279B.080 that:

1. The exempting of the competitive bid process will save the city both time and money, and will not result in favoritism or substantially diminish the competition for public contracts, and
2. The City Council hereby exempts the awarding and entering into a contract with Advanced Excavation for the emergency repair of a partially collapsed sewer pipe

from competitive bidding requirements under ORS 279B.080 and based upon the findings in this Resolution, and

3. The City Council hereby authorizes the Mayor to accept a bid and enter into a contract with Advanced Excavation for the emergency sewer repair for the price of $179,128.50.

PASSED BY THE COMMON COUNCIL AND APPROVED BY THE MAYOR, this 20th day of May, 2024.

Katie Findling, Mayor

ATTEST:

Liane Welch, City Manager Pro-Tem
