City of Garibaldi Parking Permit

Up to two transferable parking permits will be issued at a cost of \$5.00 each per year for the residents of 408 Garibaldi Avenue. Residents must place a permit in the front window above the driver's side of the car so it is clearly visible. A permit does not guarantee nor reserve a specific parking spot to the permit holder. The permits are renewable every year, but will become null and void if the residence becomes a commercial site.
